

ALOIS LAGEDER FEATURED IN FORBES

March 18, 2019

Jill Barth from Forbes highlights Alois Lageder and the family's dedication to biodynamic farming since 2004 with a goal to convince all partner-growers to convert by 2023.

"A 'lullaby' is played in the cellar to harmonize the aging wine - its Bach, played on delay so one minute of music is stretch to one hour, to give the wine 'more time to age, to slow down,'" - Alois Lageder IV
