

CAVAS NAVERAN DOUBLE FEATURED IN "EIGHT OF THE BEST CAVAS"

July 5, 2019

In the world of sparkling wines, Cava is the best alternative to its expensive French cousin, Champagne. Old soils, striking acidity and secondary fermentation in the bottle create complexity in these bubbles.

Cavas Naveran wines deliver value from their sustainably farmed vines. This family run winery's rosé and brut were just featured in Vinepair's "Eight of the Best Cavas Under \$15".

"Good vintage bubbles at this price are almost impossible. Nevertheless, Naveran delivers with this refreshing, well-balanced rosé."
