

# CHAMBERS & CHAMBERS TURNS 45!

**September 5, 2018**

On May 18th of 2018, Chambers & Chambers completed a remarkable milestone - 45 years in business and growing! Over 100 staff members, from 3 different locations (San Francisco, SoCal and Hawaii), as well as founders Jack, Suzanne and Barbara Chambers and the Board of Directors, met up for lunch, games and good times at the beautiful Turley residence in Napa. Suzanne Chambers, our fearless leader, emphasized during an impassioned speech her commitment to the company's vision of 'being the best and finest wine importer/distributor in the states of California and Hawaii'.

To commemorate the anniversary, Suzanne Chambers announced the launch of the new Chambers website, where we solidify the company's branding while bringing it to a whole new day! Please enjoy our new site as our thank you for your support throughout all these years for the wines and producers we represent in both California and Hawaii.
