

RAMEY

Cabernet Sauvignon NAPA VALLEY

VINEYARDS

Appellation	Napa Valley - 27% Napa Valley, 24% St. Helena, 22% Oak Knoll, 15% Napa-Carneros, 8% Mt. Veeder, 3% Calistoga, 1% Rutherford
Soil	The geology and soils of Napa Valley are notoriously complex and are primarily comprised of broken down or decomposed rock that has been carried downhill from the eastern Vaca range and the western Mayacamas range into the base of the valley, where they ultimately intermingle with the silt, clay and gravel deposits of the Napa River flood plain.

VINTAGE

Growing Season	2014 was another classic vintage. A mild winter and spring caused an early bud break followed by consistent temperatures throughout the summer, promoting even ripening.
Harvest Dates Brix	September 12 to October 17 25.3° average

WINEMAKING

Varietal Composition	80% Cabernet Sauvignon, 11% Merlot, 6% Malbec and 3% Petit Verdot
Fermentation	Native-yeast and malolactic fermentations.
Aging	The wine rested <i>sur lies</i> to incorporate the oak so that the 18 months spent in 52% new barrels (three-year air dried French, 50% and American, 2%) is barely noticeable. Due to this vintage's supple tannins, we left this wine in barrel for only 18 months. Non-filtered.
Cases Alcohol	11,729 14.5%
Release Date Price	March 2018 \$62

"Our tenth vintage of this appellation Cabernet is blended from a combination of hillside and valley floor vineyards. Our style combines the harmony produced by traditional Bordelaise winemaking techniques with the voluptuousness gained from California's weather, especially in this perfect vintage." – David Ramey
