

Rosé of Pinot Noir

Vintage: 2017

Winemaker: Justin Willett

Grape Varietal: Pinot Noir

Appellation: Santa Barbara County

WINE TECHNICAL DATA

ABV: 13.0%

Total Acidity: 7.5g/L

WINEMAKING

Harvest Date: 08.22.2017 - 09/14/2017

Yeast: Native

Elevage: 4 months in neutral French oak

Bottled: 01/19/2018

Sourced from multiple vineyard sites we work with for our Pinot Noir program, the juice is gathered from the picking bins as the fruit comes into the winery. Gently pressed by its own weight during this short trip from the vineyard to the winery the juice sees very minimal skin contact. We then ferment in stainless steel using native yeast. Once dry we transfer to neutral French oak for a few months, then back to stainless prior to bottling.

TASTING NOTES

The finished wine is mouth watering good with bright acidity and freshness. Notes of watermelon, rose petal, wet stone and salty minerality.
