Triennes

TRIENNES

Two of Burgundy's greatest names – Jacques Seysses, founder of Domaine Dujac, and Aubert de Villaine, co-owner of Domaine de la Romanée-Conti – are the partners behind this pioneering property in Provence, northeast of Marseille and due east of Aix-en-Provence. Over the years, they have transformed this stunning 46-hectare site into one of the top wine estates in Southern France.

THE WINE

Vineyard Profile

Triennes has invested heavily in its vineyards from the beginning. An ambitious replanting program started the program, and 2008 saw the start of organic conversions.

- Soils: Clay and limestone
- Aim: Create a healthy vineyard, choosing vines & rootstocks adapted to the growing conditions
- Farming: As natural as possible; cover crop grown every 2nd row to control vigor, limit erosion & assimilate organic material.

Harvest Notes

- Harvested at night so the grapes are cool upon arrival at winery
- Pressed after a few hours of skin contact
- Fermented at low temperature until dry in stainless steel tanks

Winemaker's Notes

This pale pink wine has a bouquet of strawberries and white flowers with hints of vanilla. It has the harmony and elegance that has earned world-wide appreciation of the rosés of Provence. Triennes Rosé is the perfect accompaniment to a sunny summer afternoon.
